Wynn Lahay - Highlander of The Year

Highlander of the Year, Haliburton County Clerk-Treasurer Wynn Lahay accepts the plaque and the congratulations of Dysart Reeve Murray Fearrey at the presentation ceremonies Wednesday night.

by Michael Shirley

In recognition of her many years of service to the community, County Clerk-Treasurer Winifred (Wynn) Lahay has been named as the Highlander of the Year by the Haliburton Highlands Chamber of Commerce.

The award was presented by Dysart Reeve Murray Fearrey at the Chamber's annual meeting on Wednesday October 10 at Wig-A-Mog Inn.

Fearrey described Wynn as a person who "has always conducted herself as an ambassador and saleslady for the county" and who "has always seen the beauty and potential in the county."

On Sunday afternoon Wynn took some time out from painting her home on the Gull River to talk about her job as clerk-treasurer and the many community organizations she has worked with.

She explained that a sense of sharing and community involvement played an important role in the lives of the people in her home town of Haileybury.

That sense of community kept the town alive after the Haileybury Fire of 1922 swept through the north destroying much of the town and killing many of the residents. Her family lost everything that they owned in the fire, but rebuilt their home and remained there until they moved to Port Arthur. It was in Port Arthur (now part of Thunder Bay) that Wynn began working as a secretary after completing a business course. She also became involved with Red Cross blood clinics and became a Red Cross driver.

After working in Montreal and Ottawa, Wynn became a secretary in the Central Mining Company and was responsible for the payrolls of 50 small mining companies.

It was there she met and married Wilf Lahay.

Wilf, his brother Joe and sister Pauline Leary were prospectors who were following in the footsteps of their father who continued staking claims until he was 80 years old.

Wynn often accompanied Wilf on his trips to northern Canada and gained a unique perspective on the wilderness.

"It was a lot different than taking an afternoon stroll through the woods", she said.

In 1959 the family purchased the Rockcliffe Hotel and moved to Minden. Wynn said at first that she would just be responsible for the bookkeeping, but soon she was totally immersed in the business.

Remembering her arrival in Minden Wynn commented, "It is said that it takes many years to get accepted in a small town, but that was not true here."

She was soon involved in the Historical Society and many community events.

In 1960 Jeanne Sears suggested that a winter carnival should be held the following year. Having heard glowing accounts from Pauline of the Trappers' Festival in The Pas, Manitoba and the carnival in Temagami, Wynn responded that the carnival should be held that winter.

She suggested that the celebration should be held in January to coincide with a Minden Monarchs home game, so the weekend of January 25-26 was chosen as the date of the first Minden Winter Carnival.

Wynn and Jeanne then contacted local service organizations, churches and businessmen to help organize the event.

"Response was just great," Wynn recalled, "Everyone pitched in to make the carnival a success."

She spent a great deal of time on the telephone promoting the carnival. Articles in the three major Toronto papers resulted from her calls and brought people into the county from the south.

The only thing that didn't co-operate was the weather. A January thaw melted most of the snow and forced the organizers to modify or delay many of the events.

The following winter the carnival was held again and Wynn remained just as involved. "I just ate and slept Carnival," she said, adding, "Nothing could hold me back. When I came up with the idea of holding a fly-past I just phoned the air base at Trenton." She also persuaded the Premier of

(more on page 2)

Chamber elects new board

The Haliburton Highlands Chamber of Commerce has a new board of directors. The 1984-85 governing body of the county-wide organization was elected at the group's annual meeting held October 10 at Wig-A-Mog Inn.

Eight of the directors elected on Wednesday were members of the previous year's board. They include: the current president Ken Langdon, immediate past president Rhonda Elstone, Brian Adamson, Pauline Baumgartner, Albert Foster, Shawn Hagerman, Bob Jennings and Allan Bagg. Newly elected this year are Robert Cairns, the owner and manager of Heather Lodge; Dante Lacarde proprietor of Haliburton Lodge; Al Mayo, manager of the Toronto-Dominion Bank in Minden; Gary Thurston chartered accountant. Two other members of the business community sought membership on the board.

The voting saw 36 members of the Chamber cast ballots with one abstention and two spoiled ballots.

During the business meeting the membership approved an amendment to the Chamber's constitution which would limit the term of a past president's appointment, ex-officio, to the board, to the year which immediately follows his or her term as president.

Outreach report

Director of the Outreach Centre in Haliburton, Dennis Casey, reported to the meeting on the operation of the job placement operation. He noted that during the summer months the centre had approximately 300 registered and unemployed clients on its lists. This number jumped with the end of the tourist season and now stands at approximately 460. He

He informed the group of a number of employment programs which are available to assist employers in integrating new members into their staff. In particular, he pointed out the Career Access program, which provides financial support for the hiring and training of unemployed or disabled individuals, is available through the centre. Casey invited interested employers to contact his office for more information on this program and others which are available.

The centre's co-ordinator also noted that a number of support programs have been placed on hold since the latest federal election. He said he expects this situation to be clarified shortly.

The centre can also provide job listings for vacancies, carry out initial screening for employers, schedule interviews and provide an interview room.

Casey said the workforce in the county numbers between 3000 and 4000. He said the unemployment level in the county is close to the national average of 10 to 11 percent.

Manager's report

The Chamber's new manager, Emily Skinner, reviewed some of the promotion programs planned for the coming year, noting that a revised marketing program will be started in November. She said the Chamber's directory will become a "tourist influencer guide which will be useful in promoting the county." Special pages for in-county distribution only, will be added to the directory, to appeal to the local advertisers.

She also noted that the winter promotion map is now in distribution. Produced through the Central Ontario Travel Association, the map and brochure features a cross-country skiing photo on the front page promoting the facilities in the Highlands.

Skinner added that the Chamber is not able to rely solely on the resources raised through memberships to support its various marketing plans.

The manager also paid tribute to Don Smedmore, who she said, had been helpful during the summer months, volunteering his time for various duties around the Chamber office.

"If we think positively, we'll move forward and meet our objectives," she told the meeting.

President's report

The Chamber's president Ken Langdon, expressed the appreciation of the board of directors for the work done by Emily Skinner and the staff. "They have helped to keep us pointed in the right direction," he commented. The president also had words of praise for the members of the board.

Looking ahead to the coming year, he told the gathering the Chamber should be getting a new office and welcome centre and will be looking for

Wynn Lahay: 14 years as county clerk

(from page 1)

Ontario, Leslie Frost and the Minister of Travel and Publicity to officially open the two day event.

Wynn remained active on the board of directors of the carnival until the Kinsmen Club of Minden assumed responsibility in 1969.

County work

In 1970 Wynn began working for the county, setting up the Land Division Committee. Later that year she was hired as the Clerk-Treasurer of the County of Haliburton.

The job has been a demanding one. In addition to the work during regular business hours, Wynn has had to attend countless evening meetings acting as the secretary for the various county committees as well as serving as the treasurer on the library board and on the board of directors of Hyland Crest Senior Citizens Home.

In referring to her work on the county committees, Murray Fearrey commented that Wynn was a "strong person and a diplomat who has often calmed troubled waters at committee meetings," adding, "She has that special attribute of being reasonable."

Fearrey also drew attention to her involvement in the celebrations of the County Centennial in 1974. "She went far beyond what was expected of her that year," he said.

Looking back on her 14 years of service to the county Wynn said, "It was not just a job. It was a dedication. My heart has always been in the county."

She noted that after serving their year long terms in office, the county wardens have always commented that they had found the experience very rewarding. "That it the way I feel about the work I have done with the committees and I have been lucky because I have beeing doing this for fourteen years."

In his remarks at the Chamber of Commerce dinner, Murray Fearrey described Wynn as a person who has always been positive and an optimist. "She has had her ups and downs but she has never looked back" he said adding, "All of us could take a lesson from that."

That optimism and inner courage carried her through the loss of her husband Wilf who died after a lengthy illness.

Earlier this year Wynn married Reg Newbury and she is looking forward to spending more time with Reg after she retires on December 31.

She also hopes to be "able to do all the things I haven't had time to do" and "to be in the position where I don't have to do something immediately."

She admits however that she will remain just as active in community activities. "I have always worked and I have always been busy," she said.

Looking back on her career Wynn notes that although she has lived in a number of different communities "Haliburton is my favourite place of all."

"I can enjoy Toronto for a while" she said, "But it takes a lot to get me out of here, especially in the summer."

She added that her feelings for the Highlands are best summed up in the slogan of the County Centennial year, "Haliburton, where life is living for everyone."

New post for Eakins

John Eakins, MPP for Victoria - Haliburton since 1975, has been named Liberal Caucus Transportation Critic at Queen's Park. Mr. Eakins retains the role of Critic for Recreation and Tourism, and remains Liberal spokesman for Rural Municipalities.

The appointment was announced by Opposition Leader David Peterson, and is part of an eight-person reorganization of the Liberal Caucus at Queen's Park.

Mr. Eakins said Ontario Liberals have frequently called for substantial improvements in Ontario's highway network, particularly in rural and tourist - sensitive areas.

"The Tory government seems to be unaware of the importance of highways to the provincial economy, not only in Victoria and Haliburton counties, but other areas where the level of Provincial support has dropped," Mr. Eakins said.

"If the Tories were seriously committed to tourism development and to building strong, vibrant communities, they would take steps to ensure a well-maintained road system. In the next few months, Ontario Liberals will be preparing to govern by supporting our own commitment with action."

Previously, Mr. Eakins has been Liberal Critic for the Ministry of Natural Resources and chaired the Liberal Task Force on Tourism. The government has subsequently adopted 80 per cent of the Force's recommendations. In 1977, Mr. Eakins introduced into the Legislature Canada's first Small Business Act.

Chamber challenged on county funding

The need for government financial support for the local Chamber of Commerce has been questioned. Dave Farrell raised the challenge at the annual meeting of the Haliburton Highlands Chamber of Commerce. The meeting was held October 10.

Farrell, who was the author of a letter which appeared in last week's edition of The Times, challenged the members, "You should think about your source of funding. You've got to stand on your own two feet if you're going to stop the constant criticism (of the Chamber)".

Saying that he felt the Chamber of Commerce was an excellent organization which could fulfil a valuable role in the county, he asked whether the members were aware,"...of the path you're heading down."

He claimed the accepting of the county grant for the Chamber's operation was the root cause of the dissention surrounding the organization. He added that the grant of $15,000 which the county council has agreed to supply for a new Chamber office will just create more problems.

Chamber president Ken Langdon said the organization needed the funds to present a "good face" to the public. "The present building is falling down," Langdon said. "County council backs us, with the exception of one individual".

The president's remarks were endorsed by several others in attendance at the meeting.

Past president Rhonda Elstone noted that other areas are served by tourist boards which receive funds from the local governments to carry out their work. "This is the same job we're doing for the county," sh e said. "We have amalgamated the Chamber of Commerce and tourism, promotion. County council is told, when the money is received, that is not for the Chamber of Commerce activities, but for tourism promotion."

Farrell reiterated his remarks about government funding and said "You should run the Chamber as a political movement." He implied that accepting funds from the county government hurt any lobbying effort the Chamber might attempt.

The speaker then attempted to read the letter which appeared in last week's newspaper, but was cut off halfway through by president Ken Langdon, who then promptly adjourned the meeting.

New office

(from page 1)

newer and cheaper methods of advertising in the mass media. The president promised to provide members with four progress reports on the Chamber's activities in the coming year and that a restructuring would be carried out to make the committee system more productive.

Langdon predicted continued growth in the tourism industry suggesting that it will double in the next 20 years.

"We have a beautiful countryside here," Langdon said, referring to scenes of coloured leaves outside the meeting room. "This area could be crawling with people right now, but it isn't." He said the Chamber's marketing program will attempt to change that situation.

Officer, wife hurt in mishap

A former resident of Minden, and constable with the OPP, is in serious condition following an accident Sunday evening on Highway 401 near Kingston.

Mike Smith and his wife, Terri, were returning from a visit to the Minden area, when the mishap occurred. According to the police, a vehicle in the westboun d lane of the divided highway was involved in an accident. The vehicle crossed the median and slammed into the Smith car.

Both Mr. and Mrs. Smith are in Kingston General Hospital suffering from multiple fractures.

Constable Smith was transferred to the Kingston detachment of the OPP in July of 1983.

Break-ins

Over $1200 worth of property was removed from a cottage on Canning Lake sometime between October 8 and 10.

According to the police, intruders broke into the cottage on the east shore of the lake and made off with snowmobile clothing, fishing gear and assorted tools.

The matter is being investigated by Constable Bob Pearson.

During the same period of time, the Boundary Information Centre in Lutterworth Township was also broken into. Police have been unable to determine if anything was removed from the building.

Constable Brian Dunham is investigating.

Charged

Two Haliburton men have been charged with break, enter and theft following an investigation by police.

The charges were laid following a break-in at the Rails' End Gallery in Haliburton in which a quantity of gold and silver jewellery was removed from the premises. The break-in occurred in July.

According to police, some of the jewellery has been recovered.

Charged are 20 year old Jack G. McPhail of Haliburton and Harold W. Rowbotham, 18, also of Haliburton.

The matter is being investigated by Constable Al Bibby.

Accident

An estimated $11,000 in damage was done when two vehicles collided on Maple Street in Haliburton. The mishap occurred October 8.

The vehicles involved were being driven by Harry Brohm, 64, of Haliburton and David Marshall, 22, of Mississauga.

Brohm was slightly injured in the mishap.

Constable Brian Dunham was the investigating officer.

Charged

Mark Warron Roberts, 20, of no fixed address, has been sentenced to six months in jail in provincial court Wednesday. The man was charged with the break-in at Curry Motors in Haliburton in May.

The man pleaded guilty to the charge.

According to the police report, Roberts, along with another man, broke into the car dealership and stole a set of licence plates which they then attached to a vehicle in the garage. The pair left th e area in the car.

Roberts was arrested at the scene of a break-in of a pharmacy in the Durham region. The missing car was recovered near the drug store. The man faces charges on the break in as well.

Police are still seeking a second individual they believe was involved in the thefts and break-in. Terry Grant, 21, of Haliburton, is being sought for questioning by the OPP.

The Times wins advertising award

A special edition of The Times has received a third place award in a province-wide advertising competition.

Presentation of the award took place this past weekend at the fall meeting of the Ontario Community Newspapers Association held in Niagara Falls.

The award was presented in the special editions category. The entry submitted was the edition published to mark the thirtieth anniversary celebrations at Haliburton Highlands Secondary School. Newspaper publisher Jack Brezina was in attendance at the Niagara meeting to receive the plaque.

"This was a team effort," the publisher said. "All members of the staff contributed to the success of the special section."

Extra copies of the edition were printed and made available for distribution during the weekend celebration at the high school.

THE COMMISSION ON PRIVATE SCHOOLS IN ONTARIO REQUESTS SUBMISSIONS

Dr. Bernard Shapiro, the Commissioner inquiring into the role of private schools in the education of children in Ontario has been given the responsibility to:

- document and comment on the contribution of private schools to elementary and secondary education in Ontario;
- identify possible alternative forms of governance for private schools and to make recommendations for changes deemed to be appropriate;
- assess whether public funding, and its attendant obligations, would be desirable and could be compatible with the nature of their independence.
- identify and comment upon existing and possible relationships between private schools and publicly-supported school boards.

No general public hearings are planned. Interested individuals or parties who have information and/or wish to comment on any or all of these issues are however, asked to submit briefs to the commissioner by December 31, 1984. Typed submissions should be sent to:

Neal T. Emery
Executive Secretary
The Commission on
Private Schools in Ontario
Suite 4-299
252 Bloor Street West
Toronto, Ontario
M5S 1V5

Those planning to submit briefs should notify the Commission by October 31, 1984 at the above address, or by phoning (416) 965-7044. All briefs submitted will be considered public information.

BILL PAYNE REAL ESTATE LTD.

Thank you for an excellent year. We have enjoyed representing and selling many, many properties this past season. We are now anxious to list more of your properties so we can catch the last of the selling season this fall, and be ready for the Spring Market at the Sportsman Show in March.

This being the colour season is an excellent time to take pictures so the cottages and homes can be presented in the best possible way.

If you are contemplating selling your property this fall or in the spring, please call us as soon as possible so we might capture your cottage or home at the most opportune time.

SPORTSMAN SHOW

March 15 to March 24, 1985

WE WILL BE THERE

To explain to the thousands of potential buyers why they should choose our beautiful part of the province for their relaxing pleasure.

WE NEED YOUR HELP!

Your properties are what these buyers want, but if we don't display them at the Show, it may be some time before they know about your cottage, lot, acreage, home, business, etc.

LET US TAKE YOUR PROPERTY TO THE BUYER

After many years experience at the Show it has proven that the early buyers are just waiting to see what is on the market. It also establishes for us what type of properties the buyers are looking for.

LET US WORK FOR YOU

editorial

A good choice

Bestowing special honours on fellow citizens can be a challenging, sometimes nerve wracking, and rewarding task. The challenge exists in finding just the right person to meet the criteria. Anticipating the reaction from others in the community can result in a case of the jitters. The reward, of course, comes in seeing the appreciation of the recipient and endorsement of those not involved in the selection process.

Each year the board of directors of the Haliburton Highlands Chamber of Commerce set before themselves such a task as they honour one among us to be named the Highlander of the Year.

Once again, this year, the Chamber's board has come through with an excellent and most deserving recipient of the annual honour. We wholeheartedly endorse their choice of Wynn Lahay.

In the busy world of municipal politics, it is often easy to overlook the staff who provide the support and legwork which make the system function. While the headlines, good and bad, go to the politicians, the efforts of those behind the scenes are often overlooked.

There is no doubting the dedication of Wynn Lahay to her post as County Clerk Administrator. There are many long hours of work that go beyond her most visible post, seated to the right of the Warden at the regular meetings. Countless committee meetings occupy hours and days between the county council sessions. As Clerk Administrator she was the individual who wrote the letters, researched the background material and ensured that all the details were gathered for the decision makers.

Wynn's dedication to the community goes beyond her job. She has played a major role in making this community a more interesting and lively place to live. She has also dedicated herself to raising the profile of the county outside this area. Her efforts have benefitted us all.

As she prepares to retire to a well-deserved rest, we can think of no finer accolade to give Wynn than the Highlander of the Year award.

New bond issue out

-by Bill Scott, MP -

On October 1, the Hon. Michael Wilson announced a new issue of Canada Savings Bonds. The series will be available for purchase October 24 at a yet to be announced interest rate.

Last year's bond issue provides for a 9.66 per cent annual rate of return for the one year period ending October 31, 1984 and a minimum of 7 per cent a year after that until maturity. Series 37, issued November 1, 1982, provides the same annual return for the period ending October 31, 1984 and a minimum of 8.50 per cent a year until maturity. All other outstanding and unmatured bonds earn 10.50 per cent for the year ending October 31, 1984 with guaranteed minimum of 10.50 per cent in subsequent years to maturity. Holders of Series 27 Bonds, issued in 1972, and Series 30, issued in 1975, mature on November 1, 1984 and will not earn interest after that date.

The government this week began to apply the principle of innocent until proven guilty to the collection of Income Tax. The Hon. Perrin Beatty announced that from now on taxpayers who are being investigated by the Department of Revenue will not have their names released unless they have been charged and convicted of actual tax evasion.

The Rt. Hon. Brian Mulroney met with deputy ministers, heads of Crown corporations and most senior public servants on Tuesday, October 2. He told them quite directly that he plans to implement the kind of changes that our Party was given a mandate to fulfill. As well, he promised that there would be no mass firings of career public servants, but that those who had been political appointments could expect a shake-up in the next few weeks. He offered to be generous to any one who felt they could not longer be comfortable with these new directions and wished to leave the Public Service now.

Reduced spending

The first steps the new government has taken, I believe, show that we are really serious about reducing government spending. On September 21st, it was announced that the Sports-Select Pool would be ended.

If you recall, in 1979 a Progressive Conservative government made an agreement with the provinces that the federal government would get out and stay out of the lottery business. The Liberals resurrected the concept and broke that agreement, despite the objections of the provinces. This pool never had a jackpot winner and yet it consistently lost money. Now its losses will be written off, and we will reach a new agreement with the provinces which is acceptable to both parties.

Also, on September 21, the Canadian Unity Information Office was disbanded. This program, under the

outdoors

Federation of Ontario Naturalists

A quietly orchestrated program of privatizing Ontario provincial parks is starting to encounter strong local opposition. Part of a plan to cut costs and allow the private campground industry a bigger piece of the recreational market, the program has already contracted out concessions and services to independent operators for ten parks over the past five years. The Ministry of Natural Resources apparently intends to do the same in as many as fifteen more cases.

Overall savings are expected to amount to $500,000. The biggest savings by far come from reduced labour costs. Private operators can get by with paying the minimum wage instead of government rates. Camping and day-use fees are still to be set by the Ministry. But inevitably, private operators, who have lobbied for the province to get out of the camping business for years, are likely to fight these restrictions as well once they're in charge and seeking a profit.

Generally, the parks being contracted out have been the small recreation parks. It's a potentially good deal for the operator. If he or she can't make money or fails to meet the terms of their agreement, the province will apparently take over again. In addition, the government will continue to handle any major maintenance projects unless the new operators have been derelict in their responsibilities.

Local residents and long time employees aren't so eager for the changes. They fear a decline in quality, less supervision of visitors and a return to rowdyism, as well as increasing fees and a more commercial emphasis which detracts from the natural setting.

In the Ottawa area, where at least six parks are up for grabs, local users have voiced concern that they ultimately may have to travel farther for the more rustic camping experience they seek. Most recently, the proposed privatization of Sauble Falls Provincial Park, with its seven mile beach, has sparked a hostile public reaction. Area businessmen are concerned about new private operators introducing new services which undercut existing businesses. Long time part staff worry that their jobs will go to younger people.

These concerns should b e heard by the Ministry. The benefits of the provincial parks system are enjoyed and relied on by millions of Ontarians as a public trust. Is a saving of a few hundred thousand dollars really worth the risk of losing or alienating this traditional support. Is circumventing the government's pay scale, so park workers only receive the minimum wage, and

(more on page 11)

Sandra Beech puts magic in her music

Saturday afternoon was a very special time for a large group of youngsters who gathered in the auditorium at the Haliburton Highlands Secondary School.

The occasion was a concert by Sandra Beech that was sponsored by C.H.A.C.E. Place.

Sandra is an award winning children's entertainer and recording artist who has performed extensively in live concerts throughout Canada and on a number of television programs.

From the moment the diminutive singer bounced onto the stage until her final "Cheerio" Sandra had the delighted audience singing and dancing along to the music.

Accompanied by musicians Ron Neilson on acoustic guitar and Harry Olson on bass guitar and with some help from a six foot tall chicken named Chickery Chick, Sandra sang lullabys, alphabet songs, old standards, modern up tempo tunes and several new songs from her fourth album 'Sidewalk Shuffle' that was released just three days before the concert.

The ease at which she was able to establish a rapport with the children in the audience is due in part to the fact that she has three daughters of her own, but also to the fact that she has been performing since she was four years old.

Shortly before the concert Sandra visited C.H.A.C.E. Place and talked about her career.

Billed as "Ireland's Shirley Temple", Sandra sang and danced at banquets, weddings and conventions. When she was nine years old she began touring Northern Ireland with her brother Will. "As a child I was an adult entertainer, now as an adult I am a children's entertainer," she said. She added, "I wasn't a precocious child, it was just very natural for me to sing."

Music had always played an important part in her family's lives and Sandra spoke fondly of musical sessions with her father playing the button accordian and her brothers Will and George playing guitar and spoons while she sang along.

When Sandra was 11 she and her family moved to Canada.

She performed for a while with her brothers in a folk trio then put aside her singing career, after she was married, to devote herself to her young family.

It was at her wedding that her brothers were reunited. "Will had come to Toronto from Calgary to act as the M.C. at the wedding. George was a member of the group that was playing at the wedding and soon afterward Will joined the group."

The group they formed was The Irish Rovers, who shortly afterward recorded a song called The Unicorn that gained them international fame. So as Sandra related, "The Rovers were born at my wedding."

Sandra resumed her career performing as a cabaret singer in night clubs but found it was not very rewarding.

An appearance on the Mr. Dressup television program revitalized her interest and led to her being asked to perform in Toronto area schools.

Following the success of her school concerts she was asked to compose a theme song for the Block Parents organization and although she had never written any songs previously, she collaborated with Will to write the theme song which has sold over 5,000 copies across Canada.

She continued her association with the Block Parents Program for a year, staging free concerts in schools and teaching the program to students.

Later she began working with Mariposa in the Schools, a program designed to encourage children to sing and perform.

During the nine years that she has spent in the program she has performed in many schools in Toronto and has staged six concerts in Lindsay.

She has evidently made an impression on the people of Lindsay for as Sandra explained, "They have adopted me."

Her career took on an added dimension when, encouraged by Will, Sandra and her husband started their own recording company and released an album "Chickery Chick", which was nominated for a Juno award. Her second album was even more successful and she won the Juno award for the Best Children's LP of 1982.

Sandra is proud of the work that she has done in the field of children's music and of the work of other Canadian performers.

"We are far ahead of Americans in terms of children's music" she noted, adding that many of the children's albums recorded in the United States were token efforts by such entertainers as Marlo Thomas and Danny Kaye.

She credits Raffi with "really putting it (the children's music industry) on the map twelve years ago," but pointed out that "My brothers recorded a children's album before that."

In talking about her past career and future plans, which will include more work on television, Sandra explained, "My whole aim is to give children fantasy and magic" adding "We were brought up with fantasy", in the land where the leprecauns live.

She was critical of the way many parents introduce their children at a very early age to the "real world" of technology while ignoring the world of fantasy. She noted that this seems to be especially true of parents living in cities, adding "I am much better received by children in small towns."

She referred to the importance of the imagination in her concert on Saturday and it was obvious from the enthusiastic reaction of the children who were there that day that they were living in that magical world of fantasy.

Photos on this page capture some of the excitement of the Sandra Beech concert held Saturday.

from the chamber

1985 will mark the beginning of a new and exciting marketing direction for Central Ontario Travel Association, the Haliburton Highlands Chamber of Commerce and our members.

Over the next three years, COTA and the Haliburton Highlands Chamber of Commerce with the assistance of Allcom Marketing, will be taking steps to aggressively promote Central Ontario through co-operative destination marketing. This means promoting the whole Central Ontario story to visitors and key travel influences who want to know more.

In the first year, COTA, with the support of the Haliburton Highlands Chamber of Commerce, will reorganize the travel guides with a listing format to reflect the types of activities about which travellers and travel influencers request information.

In the second year, COTA, will use this information to establish a strategy for aggressively competing for group motor coach tour business in Central Ontario. Sample and circle tours developed in year two will be undertaken.

The success of this marketing program depends on you. First in order to tell the whole Central Ontario story to both visitors and travel influencers, it is very important that everyone participate in the co-operative travel guide program. Secondly your participation will help make Central Ontario and the Haliburton Highlands known as exciting, visitor and motor coach destinations, while your listing will tell the visitor where to find you in 1985. Remember, if you are not listed, the visitor can't find you.

A representative will be calling on you in the next few weeks to discuss your participation in this exciting new project.

Business seminar

Number 3 in the series of business seminars presented by the chamber will take place at Wig-A-Mog Inn on October 22 at 7:30 p.m. Constable Al Bibby will be assisting us. He has arranged to have Mr. Al Stead of the Bank of Montreal credit card investigation team address the subject of 'credit card fraud'. This seminar will b e of importance to all our members who use or accept credit cards in their day to day operation.

New Board of Directors

We welcome our new board of directors this week and wish them well in the year ahead. The new board members are:

Ken Langdon - proprietor of Black's Hardware, Haliburton; Rhond a Elstone - part owner and secretary-treasurer of G.Elstone Construction, Minden; Bob Jennings - owner/manager Sandy Bay Resort, Minden; Pauline Baumgartner - owner/manager of Locarno Resort, Haliburton; Albert Foster - owner/manager, Wagon Wheel Motel, Minden; Alan Bagg - Proprietor, Eagle Lake Store; Shawn Hagerman - Chartered Life Underwriter; Brian Adamson - Barrister, Minden; Al Mayo - Manager, Toronto Dominion Bank, Minden; Gary Thurston - Chartered Accountant, Minden; Dante Lacarde - Manager, Haliburton Lodge, Drag Lake; and Robert Cairns - owner/manager, Heather Lodge, Minden.

Board meeting

There will be a meeting of the Haliburton Highlands Chamber of Commerce on Wednesday, October 17 at 2:30 p.m. in the downstairs boardroom of the County Council building in Minden. The executive will be elected and the various committees formed at that time.

Events

October 25 - The Rails' End Gallery in Haliburton Village will be having their 'Santa's Best' pre-Christmas Sale featuring works of invited artists from the Ontario region. Items will include silk, glassworks, ceramics, pewter, leather, weaving, baskets, knitting, toys, and books. Gallery hours: Tuesday to Saturday, 11:00 *am* . to 5:00 p.m. The show continues until November 15.

Funds provided

- by John Eakins, MPP -

The Counties of Victoria and Haliburton continue to be the recipients of provincial funding for programs for which they have shown interest and initiative. The Town of Lindsay will receive $150,000 for downtown improvements under Ontario's Commercial Area Improvement Program.

The CAIP program is designed to assist redevelopment, renovation, conservation, and infill development, and to help municipalities attract new economic activity, whether it be related to tourism, heritage or industrial development.

Municipalities can apply for up to $500,000 in grants and/or loans, with the only preconditions being the establishment of a business development area and the provision of community improvement policies within the municipality's official plan.

The Village of Omemee will receive a total of $175,000 in provincial funding under the Ontario Neighbourhood Improvement Program (ONIP).

Under ONIP, funding is available for improving conditions in older, deteriorating, predominately residential, neighbourhoods occupied by low and moderate income households. The province contributes 50% toward the cost of the neighbourhood improvement project.

Two weeks ago I had the pleasure of attending the opening of Rivera Park in Lindsay as part of the Lindsay Parks Program. The Ministry of Municipal Affairs and Housing contributed $100,000 toward this development. The bulk of the funding came from the estate of the late Roy P. Wilson and the park is named after his wife.

I had the pleasure of knowing the late Mr. Wilson and it was very evident that his interest centred on the river and the parks of Lindsay. This quiet and unassuming gentleman, who did not seek the limelight, will leave a great impact on the Lindsay area through his generosity. People who visit and live in the Town of Lindsay will all benefit now and in the years to come from the estate of a gentleman who left it where he made it.

Bill Scott

control of the Minister of Justice, had been used mainly as a propaganda tool for the party in power. It used Canadians' national pride in the country as a reason for praising the work of government ministers and distributing largely political material across the country. There will be no useful void created by its disappearance, only a cost saving.

Further, a temporary government spending freeze has been instituted. As stated by the Hon. Robert de Cotret, Treasury Board President, "These measures will slow down the rate of expenditures and allow the government both the time and the flexibility to implement its priorities".

SPONSORED BY THE HALIBURTON HIGHLANDS CHAMBER OF COMMERCE.

The Haliburton County Snowmobile Association began the 1984-85 season by electing the executive and board of directors on Friday evening. Serving as the organization's newly elected officers are: back row: from the left: Tom Moffat, past president Tom Prentice, Jon Orpana, Bob Clifford and Peter Overington. Front row: from the left: Barry Stewart, secretary-treasurer Doug Tedford, president Leroy Lichty, vice-president Wes Lytle and membership chairman Norm Gemmel.

HAVE variety show planned

This year's Haliburton Artists Variety Evening will be featuring Ms. Cathy Kinsman, Mr. Dick Stouffer and some of their musical associates. Accompanying these visiting artists will be our resident musicians in the Highland Dixie Band and the Barbershop Quartet. Cathy will be hosting the variety evening and Mr. Rick Vaughan, music teacher at the High School, will be coordinating the musical performance.

Cathy has indicated that this concert will have "something for everyone". The instrumental and vocal presentation will include pop, modern, experimental, and African style music. Although the individual artists will be featured, it will be a real team effort. Since it will be a Saturday evening (November 3) at the High School, persons of all ages will be able to attend.

The HELP A VILLAGE EFFORT (H.A.V.E.) Committee is particularly pleased to sponsor this second Haliburton Artist Variety Evening. As students at the High School, Cathy and Dick were especially well known for their brilliant performances in Mr. Bill Gliddon's Gilbert & Sullivan presentations. They are now accomplished artists who are making names for themselves in the outstanding musical concert when Cathy, Dick, and their associates combine their artistic skills with some of the finest musicians of our area.

All the artists are donating their services. Instead of an admission charge a free-will donation will be received during the evening. All the proceeds of the Haliburton Artists Variety Evening will go to the self-help projects as set up by Haliburton's H.A.V.E. Committee to assist the poorest of the poor in the Third World countries to help themselves.

Seminars draw little interest

A disappointingly small crowd attended the business seminars sponsored by the Haliburton Highlands Chamber of Commerc e October 10 at Wig-A-Mog Inn. The seminars were held in conjunction with the annual meeting of the Chamber and the evening dinner at which the Highlander of the Year award was presented.

Less than 20 individuals were on hand for the two morning sessions which featured an explanation of Japanese management techniques and a look at the marketing plans which are being organized for Central Ontario.

Dr. David Blenkhorn, an associate professor of busiess at Wilfred Laurier University in Waterloo, headed the seminar on the Japanese management techniques. Dr. Blenkhorn has carried out extensive studies of numerous Japanese firms to ascertain how their management procedures differ from those in North America.

Interestingly, his investigation revealed that many of the practices were ideas first proposed by an American. When the ideas were rejected in the USA, he took them to Japan where they found acceptance.

Blenkhorn noted that in Japan there is less hierarchal structures in business. Managers often work face to face with those whom they manage, thereby increasing interpersonal communications. "The memo is virtually an unknown item in Japan," he said.

Greater responsibility is placed on employee participation in company management, particularly in quality control. Blenkhorn cited one example where any employee on an assembly line could stop the entire production system if he discovers a flaw in the product. Sharing the responsibility for the quality of the final product among all employees resulted in higher quality goods, Blenkhorn noted. Warranty recall statistics showed that Japanese manufactured goods experienced less problems than those produced in North America.

The speaker also noted that employees participate in "quality circles", a group of employees who regularly meet to discuss various aspects of their job and the plant as a whole, to determine how the process could be improved.

Blenkhorn also said that many of the ideas used in Japan are now being adopted in North America. He said General Motors was one company which is beginning to adopt the techniques used in Japan.

Marketing program

Allan Hall of Allcom Marketing, was in attendance to outline the marketing program which the chamber and the Central Ontario Travel Association will be involved in during the next few years.

He noted that a concerted effort to attract bus tours will be made by preparing special information packages for those who organize bus tours. Other professionals in the travel industry, such as agents and those who act as travel counsellors will also be informed of the attractions in the Highlands.

This information effort will be backed up by a brochure and lure book campaign to attract inquiries from individual travellers.

Luncheon speaker

Curtis Eastmure, a resident of the county, who is the main sparkplug behind the Haliburton County Nordic Trail Association, outlined plans for the development of a linked 150 km cross-country ski trail system. The system is currently being developed with the assistance of a number of area municipalities and will eventually provide a system of trails which will permit visitors to travel from resort to resort on a package basis.

Also in the near future, the association will begin construction of a world class competition trail north of Haliburton Village. Once completed, it is hoped this facility will attract Canada and world competitions to the area, further increasing the profile of the Highlands.

Council briefs

Due to the absence of councillors Pat Burk and Gary Kenney, council deferred decisions on a number of matters including a request to support a resolution calling for the removal of the Ring Billed Gull from the list of protected species.

(Councillor Kenney had been taken to hospital early Thursday morning. He has since been released. Councillor Pat Burk is on holidays.)

The resolution was passed by the township of Downey in Perth County. Clerk-treasurer Bev Millar introduced a letter to council requesting support for the resolution and informed council that the Ring Billed Gull was the most common gull species.

Deputy Reeve Ed Pergolas immediately stated his opposition to the resolution. "Start on the gulls, and what is next, rabbits, raccoons?" he asked.

Councillor Dave Stevens responded that the gulls were a nuisance to which Pergolas replied, "People are also a nuisance, but we don't go around shooting them."

Reeve Lyle McKnight said that he could sympathize with the farmers in the Perth county area, noting that although gulls may fertilize the land, they also eat seed that has been planted.

The reeve suggested that the resolution should be debated at the next municipal meeting and the members present agreed.

Antenna

A radio antenna will be erected at the Minden Community Centre for use in emergencies.

Council granted permission to the Minden Amateur Radio club to erect the aerial and will assume the costs of the installation costs estimated at $60-70.

In the event of an emergency the Radio Club will set up a base station at the community centre and will be able to broadcast and receive signals through the antenna.

Support resolution

Council added their support to a resolution proposing amendments to standards governing landfill sites.

The resolution was passed by the Council of the Village of Zurich and was circulated to all municipalities in the province with the request that the municipal councils endorse it and notify the local Member of Parliament.

The resolution states in part "Whereas, the standards as defined in the Blueprint for Waste Management are required for waste disposal sites for large urban centres and those sites which consume industrial and chemical wastes there is no need for such stringent, unreasonable and costly regulations which also govern smaller rural sites."

The resolution continues "We do not consider the regulations and terms that now exist in the Blueprint for Waste Management to be fair nor practical for non-industrialized small tax base municipalities."

The resolution recommends that amendments should be made to the standard to allow for the expansion of existing landfill sites" based solely on the studies done and recommendations of reputable engineering firms and approved by the Ministry of the Environment."

It was also resolved that if amendments are not made to the standards the provincial government should finance all costs except actual purchase land.

Councillor Dave Stevens a member of the Municipal Waste Management Committee said that he agreed with the resolution. He pointed out that the municipal landfill site is used basically for the disposal of household garbage.

"We aren't putting in P.C.B's" he said adding that the site is not used for industrial wastes and that "We don't have the pollution problems" of more populated areas.

He also informed council that the landfill site on the Scotch Line Road should be adequate for the municipality for at least another ten years.

Council supported the resolution and will notify MPP John Eakins of their decision.

Earlier this month Stanhope Township Council also voiced their support of the resolution.

Players swarm around the net during an exhibition game between Home Hardware and A. Hartwick & Sons Construction Monday evening at Minden arena. The game opened the Minden Men's Recreational Hockey league season. The league has expanded to six teams this year. Home Hardware had the honour of scoring the first goal in the game but since the game was played without officials, no one kept track of the score.

Counting for the birds

Do you feed the birds in winter? If so the Ontario Bird Feeder survey needs your help.

Last winter the Feeder Survey collected observations from over 500 feeders all across the province and recorded 83 species of birds taking food from feeder stations and 13 attracted as predators. The Black-capped Chickadee visited 93% of Ontario feeders, retaining its title as the most common bird. In the south the House Finch continues to increase in numbers and is now in the "top twenty-five" provincially and the "top fifteen" in the south.

The purpose of the Feeder Survey is to record the numbers and kinds of birds taking food at feeders and to monitor population size and movements from year to year.

The volunteers are needed throughout Ontario for this winter's survey, especially in an area bounded by Stratford and Cambridge in the south and reaching north to include the Bruce Peninsula.

Recording the numbers and kinds of birds at a feeder takes only an hour or so of a volunteer's time every 2 weeks from November to March.

For information on how to take part, write to:

Ontario Bird Feeder Survey, c/o Long Point Bird Observatory, P.O. Box 160, Port Rowan, Ontario. N0E 1M0; or call: Joan Harlow, 519-426-0743.

Last call for nominations

If you know of a "good kid" who deserves an award for community work, bravery or striving to overcome a physical limitation, nominate them for an Ontario Junior Citizen of the Year award before the end of October.

Bicentennial history books, airline trips across Canada, a reception with Ontario's Lieutenant Governor, plaques and lapel pins are the prizes awaiting Ontario's 1984 Junior Citizens.

"We are seeking to honour Ontario's outstanding young people - not just the superheroes, but also the good all-round kids who are working today to become our leaders of tomorrow," said Dave Wenger of Mount Forest, Chairman of the Junior Citizen program.

Nomination forms are available at community newspaper offices, including The Times, and the deadline for nominations is October 31.

The Junior Citizen program, co-ordinated by the Ontario Community Newspapers Association, is sponsored by CP Air. Lieutenant Governor John B. Aird is the program's patron and additional support is being received this year from the Bicentennial Program operated by the Ontario Ministry of Tourism and Recreation.

In its first three years, the program received a total of 428 nominations and organizers are hoping for a new record in numbers nominated in 1984.

The 12 outstanding nominees and their families will be guests of Ontario Community Newspapers Association at its annual convention in Toronto next March, when Lieutenant Governor Aird will make the presentations and host a special reception for the visitors in his Queen's Park suite. Each of the 12 nominees will receive a CP Air ticket to any Canadian destination, a family portrait with the Lieutenant Governor, a plaque and lapel pin.

An additional 12 top-ranking nominees will receive an airline ticket and a certificate, to be presented by their local newspaper publisher. All the young people nominated in 1984 will receive a Bicentennial book. Groups and individuals can be nominated if they have performed single or continuing acts of courage, shown ingenuity, resourcefulness, fortitude or selfless service.

Nominees may also be involved in worthwhile community service, have overcome disabling physical or psychological handicaps, or have performed acts of heroism - perhaps endangering their own lives.

Any nominee from previous years who continues in their noteworthy endeavors is eligible to be nominated again. A Junior Citizen can be aged 6 to 18 years and any citizen resident in Ontario can submit a nomination.

Single parents' group

Another attempt will be made to form a single parents' association in Haliburton County.

Steve Zeller, who attempted to organize such a group last year, has said he will try it again. "We received enough support last time to indicate there is a need for such an organization," Zeller commented. However, he pointed out that interest dropped off and there were not enough single parents interested to form a charter group.

The organizer noted that a single parents' group can provide a valuable forum for an exchange of ideas and concerns.

Zeller has asked anyone interested in forming a group to contact him by calling 286-3269.

Guild plans fashion show

by Virginia Muenzel

Now that Thanksgiving is over, everyone is settling down into their fall schedules. The Guild is no exception. A large number of people have worked very hard readying several, varied activities.

If you remember, last May, a very popular fashion show was repeated.

On Friday, October 12, at 8:00 p.m., Haliburton Highlands Guild of Fine Arts presents "Fall Fashions" by Patricia's Gallery and Boutique of Fenelon Falls. Once again, Wig-A-Mog Inn is hosting the show. Tickets are $6.00 and you can reserve them by calling 457-2330. All proceeds from this event go to the Gallery.

Beginning on October 25, the Rails' End Gallery opens its new exhibition entitled "Woven Things". The show will feature the Haliburton Highlands Spinners & Weavers, with special guest weaver, Beverly Williams. The opening will be Thursday, the 25th at 8:00 p.m. and the show runs through to November 17.

Also at this time in our Waiting Room Gallery will be a sale of "Santa's Best". This is a collection of handcrafted items by professional craftsmen on sale for the early Christmas shopper.

While we're on the topic of Christmas, the Christmas Show will be opening November 28 and run until December 22. It will feature pieces by Guild members and invited artists. Start saving your money for shopping.

The Gallery will be closed from December 23 until the Carnival weekend.

The first concert in a series of three will take place on November 26, at 7:30 p.m. The group is Repercussion. You must get your tickets to all the concerts soon. Go to the first concert yourself and give the other two tickets as Christmas gifts. Of course, after hearing the great music the first show has to offer, you may change your mind and keep all the tickets.

27,000 deer tags issued

A total of 27,700 validation tags - 7,880 more than last year - were mailed to deer hunters across the province on August 28 for the 1984 hunting season, Natural Resources Minister Alan Pope announced recently.

The validation tags are issued each year by the ministry to control the number of antlerless deer - females and fawns - taken during the season. The ministry allocates the tags on the basis of a random draw which was held this year on August 23.

Mr. Pope attributed the increase in Ontario's deer herd largely to the selective harvest system and mild winters.

"In many wildlife management units, especially in north central and northwestern Ontario, all those who applied were granted tags. Provincially, a hunter's chance of receiving a tag in 1984 was better than one in three, which was similar to 1983," he said.

In 1984, 59,922 hunters entered the draw, 10,973 more than last year's total of 48,949. More than 44,000 of the hunters who applied this year specified a second choice of provincial Wildlife Management Unit.

SR-1000 Deluxe satellite system
at everybody else's basic system price

Radio Shack does it again!
Advanced technology. Breakthrough price. Complete package, totally user-installable. Those are the big advantages of Radio Shack's new SR-1000 satellite system. Check out all the features. Remote control, automatic tuning, stereo sound capability, advanced LNB (combined low noise amplifier/down converter) and unique Gregorian feed. The 8 foot dish has an optional kit to expand it to 10 feet for difficult reception areas. An optional antenna controller for remote dish positioning is also available.
Now check the price. Other deluxe systems will cost you hundreds, even thousands of dollars more. But Radio Shack's reputation of more for your money in electronics gives you the SR-1000 at everyone else's basic system price. Plus you get the backing of the world's largest electronics retailer.
If you want the finest satellite system available at such a low price, you'll find it at your local Radio Shack Dealer.
- Digital wireless remote control
- Stereo sound ■ Electronic polarization
- Easy do-it-yourself installation
- Microprocessor controlled tuning
- Connectors, cable, bolts all included

Complete system only 279.00
Available only at your Radio Shack

Card games at centre

by Teresa Congdon

Card games are still going strong at the Drop-In Centre. We have three games each week. On Mondays it is bridge, Wednesdays it is euchre, and on Fridays it is cribbage.

Every Thursday morning some ladies come in and have a coffee and crafts morning. These ladies have been making things such as toys for the Red Cross Hospital.

On Tuesday, October 9, Muriel Osborne came into the Drop-In Centre to assemble Cold Air Masks. Muriel does a great job of these masks and she is such a pleasant lady to have around. "Thank you", Muriel.

In November we will be showing the movie "Tootsie". For this movie we will be charging $1.00 and all the proceeds will go to the Cat Scan Fund. Plan to attend this hilarious comedy not only for your entertainment but for the Cat Scan.

The new brochures will soon be off the press and ready to be distributed. Our brochure will tell you everything you want to know about the Drop-In Centre. So if you are waiting for a friend, or an appointment, do come and visit us at the Drop-In Centre. We are located at the Drag River Municipal Building across from Emmerson Lumber.

Did you know?

by Bambi Gilder

Symbols convey messages. For example, people know that the $ symbol means money.

Recognizing and understanding symbols in the marketplace effectively increases your shopping power.

Consumer and Corporate Affairs Canada has introduced clothing symbols, designed to ensure that your textile article will not stretch, shrink or change colour. These symbols, which come in three colours and five shapes, tell you which procedures to use or avoid when washing, bleaching, drying, ironing and dry cleaning. Your County Information Centre can provide information on recognizing these signs along with a variety of brochures containing other product symbols for you, the consumer, to bring awareness and understanding.

Our office can also provide information on social, health, governmental and environmental subjects along with providing assistance in filling out application forms, such as government pensions, housing, education, passport and O.H.I.P.

If you have a problem, we can help, so why not drop in or give us a call at 457-2733. We are located in the Drag River Municipal Building (across from Emmerson Lumber) in Haliburton and our office is open Monday through Friday, 10:00 a.m. to 4:00 p.m.

Home security for seniors

by Donna Bailey

"Home Security" will be the topic at our October 19 meeting of Home Support. Constable Gary Chapman will be our guest speaker. It will be held at Hyland Crest, Minden. Plan to attend and bring a friend. Everyone welcome. No charge.

Correct dates

It has been brought to our attention that the dates shown for the Wheels to Meals for Haliburton at Locarno-on-the-Lake in our Autumn Newsletter are incorrect. The correct dates are: October 24, November 7, 21 and every two weeks following. We apologize for any inconvenience this might have caused. Following the meal at Locarno you can join in the swim program. For $30.00 you can go swimming every Wednesday from 1 to 4 p.m. for ten weeks commencing October 10 or pay $4.00 per single time. It is an excellent way to keep fit.

Masks

Cold air masks are now available free of charge at our office. Just drop in and pick one up. They are supplied to us through the Victoria - Haliburton Lung Association and assembled through the help of our faithful volunteers (Right, Muriel Osborne? - "Thank you").

Have a nice day!

Conway will speak at meeting

Sean Conway, M.P.P., Renfrew North and Deputy Leader of the Ontario Liberal Party will be the guest speaker at the Victoria - Haliburton nomination convention to be held at the Royal Canadian Legion hall, Lindsay, on Friday, October 19 at 8:30 p.m.

Conway, who is the Caucus Critic for the Ministry of Colleges and Universities received his B.A., Honours History, at Waterloo Lutheran University and earned his M.A. in history at Queen's University in Kingston.

Conway is the grandson of Thomas P. Murray, who was Liberal M.P.P. for Renfrew South from 1929 - 1945.

Since his election to the legislature, Conway has undertaken a number of critic responsibilities, and has served on select committees on constitutional reform, nuclear energy and health care costs. In 1978, he presented the official opposition's submission to the Commission on Freedom of Information and Individual Privacy.

Conway lives in Pembroke.

Acid Reality...

Water, water everywhere but not an unpolluted drop to spare,
This source of life appears in the Northern Hemisphere.

Water, water now so impure makes me feel so insecure,
When I think about the future of the lakes that need a cure.

Threats come from the tap too expensive to adapt.
In the morning here's a warning:

For one minute, before you drink run the water in the sink,
Then the toxins you will flush down the basin in a rush.

Still, for your children, stay aware of the water sample
beware that acid rain in the sensitive lake causes toxic reaction by low pH that any life can't take.

Evaporated water so pure, it has kept us alive,
For trillions of years that sensible people will thrive.

Remember, whatever, that without water we would die.
That's my poem of water, goodbye!

Committee of Awareness of the Environment and Appropriate Technology of Katimavik.

First place finishers in the 1984 Minden Lawn Bowling season proudly display their championship trophy following the playoffs Wednesday evening. Members of the winning team include skip Alf Palmer, vice Everett Harding, second Vera Ward and lead Hazel Lightfoot.

Bowlers end year with playoffs, club banquet

On September 24 the Minden Lawn Bowling Club held their general meeting and election of officers.

With a good turnout of members, president Jim Burton conducted an orderly session of past and present business and with everything in good order, they went on to select a new set of officers as follows: Past president Jim Burton, President Alberta Maitland; First Vice President Ev Rudd; Second Vice President Russ King; Secretary Helen Burton; Treasurer Holly Cooper; Directors - Don Sinclair. Verna Wagg, Henry Webert, Roland Sedgewick, Wally Clay, Alf Palmer, Al Stott, Bruce Armstrong an d Ed McKay.

Their first order of business was to organize the Club playoffs and championship match along with the annual dinner.

This all took place during the week of October 1 ending with the championship match and dinner on Wednesday, October 10.

The championship match was between Alf Palmer and his "Phantom Three" and Lloyd Boskett and his "Three Live Ones."

It was an exciting match with Alf's team coming out tops in shots. The winning team members were: Lead Hazel Lightfoot, second Vera Ward, vice Everett Harding, skip Alf Palmer.

The runners up- were: Lead Ted Madill, second Mary McCutcheon, vice Luella Yearwood, skip Lloyd Boskett.

During the match th e spectators grew from 20 to 75 people and the cheering reminded one of a Soviet-Canada hockey game.

At the conclusion of the game, everyone sat down to a gastronomical delight of roast beef and all the trimmings, so delightfully catered by Ann Barker and her merry elves from Metro Carnarvon.

After the distribution of all the great prizes, the groups were brought back to the real world *by* the "Wunnaful, wunnaful, One-a, Two-a" music of Ed Rickard and his "Bongo Bongo" wife.

Dancing and singing became the order of the day and it would appear as if the "Geritol Set" can still put on a few moves. Needless to say, a grand time was had by all.

Taking the liberty of speaking for all the members present, we heartily congratulate the entire Committee for an excellent affair.

With special thanks to "Simone" for convening the dinner and Ross King for a job well done on the playoff arrangements.

Ye Olde Observer

Second place finishers in the Minden Lawn Bowling playoffs were skip Lloyd Boskett, centre, other members of the team included vice Luella Yearwood, second Mary McCutcheon and lead Ted Madill.

VICTORIA HALIBURTON HOUSING AUTHORITY
20 Sussex Street South
Lindsay, Ontario K9V 5A8
Ministry of Municipal Affairs and Housing

PRE-QUALIFICATION FOR DAY-TO-DAY MAINTENANCE AND SHORT FORM TENDERS FOR:

Electrical, Plumbing, Heating, Flooring, Appliance Repairs, Washers, Dryers and Domestic Refrigeration, Glass Repairs, Roofing, Landscaping and Painting.

GENERAL CONTRACTING: Door and Window Repairs, Carpentry Work and Labourer, (In the case of a Short Form Tender, all of the above trades may be included under General Conditions.)

The Victoria Haliburton Housing Authority invites proposals for prequalification of Contractors for Day-to-Day Maintenance for the above trades, in various projects, located in LINDSAY, OMEMEE, BOBCAYGEON, FENELON FALLS, HALIBURTON AND MINDEN, ONTARIO. On the basis of rates set by the Victoria Haliburton Housing Authority, for a period of one year, commencing January 1, 1985 and ending December 31, 1985.

Contractors will be required to provide a service, responding to a telephone call from the Victoria Haliburton Housing Authority, Lindsay Office.

Contractors, from time to time, may be asked to bid on Maintenance work on a Short Form Tender, from $1,500.00 to $7,500.00. It would be expected that the Contractor submitting their names will supply a bid.

Details and Specifications, along with the necessary submission forms, may be obtained from the Victoria Haliburton Housing Authority Office, Telephone: (705) 324-6401.

Submissions shall be received no later than: Monday, November 5, 1984.

Successful season for agricultural groups

by Ernest Hills

Again this year the Haliburton Highlands Goat Society was pleased to have co-operated with both the Haliburton County Fair and the Kinmount Fair in maintaining the excellent quality of the dairy goat shows. This year, as last, featured well over one hundred goats in competition at both fairs. Acknowledged among the participants were some of the most accomplished herdspersons in Ontario, who showed some of the top bloodlines in dairy goat breeding.

Shirley Steele again this year provided competent and thorough judging at the Haliburton County Fair. Suzanne Bishop perservered through the atrocious weather conditions at the Kinmount Fair, in providing top-notch judging in some difficult classes.

Shirley Steele hails from the Orillia area, while Suzanne Bishop travelled from Elora, Ontario to judge the respective shows.

We in the Haliburton Highlands Goat Society are pleased to be able to arrange for such outstanding and highly qualified individuals to judge at these shows. We wish to express our gratitude to both judges for a superlative effort, and for the encouragement expressed to our organization.

For the second year, at the Kinmount Fair, the Goat Society held a draw for $100, with a second prize of $50. We are pleased to announce that Mrs. Bea Hancock of Irondale was winner of the $100 and Mrs. Helen Gribben of Toronto was winner of the $50. Thanks to all who sold tickets and to everyone who supported the Highlands Goat Society. A note of appreciation as well to Bill Scott and Suzanne Bishop, who honoured us by drawing the winning tickets.

On Saturday, September 29 the Goat Society celebrated the end of summer with a gathering of the membership for a chevon barbeque. The gracious hospitality of Maurice and Carol Bradley of Harcourt was extended to the club, where the membership and their families gathered. An excellent turnout enhanced the festive atmosphere of the occasion, with a chance to unwind after the hectic summer.

As usual the pot-luck supper presented a repast of vast magnitude, with salads and chili, homemade butter and rolls, cold cuts and fresh tomatoes. The chevon burgers, ably grilled by chefs Bradley, Alger and Jordan, were kindly provided by Sharron and Roy Greer. They were delicious.

The use of goat meat has been slow to develop in North America, however world-wide chevon (goat meat) remains one of the most popular and widely consumed meats. Part of the emphasis of the barbeque was to encourage the use of goat meat among our own membership. Judging from the amount consumed I would say the effort was a great success, and I can personally attest to the delightful taste and quality to the burgers.

The fund raising committee organized a penny table, for which we would like to thank those who donated to the cause. The evening provided a fun time for everyone, with party games for young and old, in what I am sure was a delightful time for all. Thanks to all who participated.

Dates to remember: Saturday, November 17, the Goat Society is sponsoring a dance featuring a live band. Be there!

September 15 marked the end of a very successful undertaking on behalf of the Haliburton County Farmers' Association. Throughout the year our fund raising committee, and its chairman Bob Hollobon, have assumed some demanding initatives in meeting their objectives. Twice now they have organized pot-luck suppers for area farmers, in an effort to promote community spirit and develop the Association as a representative body within the Haliburton agricultural community. Those occasions provided some good times, excellent food and an opportunity to meet with our neighbours.

During the summer the committee and members of the association joined in the sale of raffle tickets which featured a bonanza of agricultural related products. At this time I would like to thank the members of the fund raising committee, as well as the membership, who worked so diligently to make the raffle a success. In addition a note of appreciation should be extended to the community at large for their support and enthusiasm. A lot of tickets needed to be sold to reach the objectives sought, and the community and the summer tourist population responded in kind.

The highlight of the committee's efforts were focused on the dance held September 15 in the Minden Community Centre. Featured was the band Aaron Slick, who provided outstanding entertainment with an assortment of music for everyone's enjoyment. Again, our thanks and appreciation go out to the band for their efforts toward an enjoyable evening, and to the individual members of the band for sharing your considerable talent through your music.

Throughout the dance, members in attendance were requested to participate in the drawing of winners for each of the prizes listed in the raffle. It's with pleasure, on behalf of the association, to extend our congratulations to the following prize winners: bushel of turnip, Shirley McGee of Minden; bushel of squash, T. Delisle of Belleriver; bag of potatoes to Reg Burk of Haliburton; 4 litres of syrup to Ruby Schell of Kinmount; a goat was won by Jack Weeks of Minden; 5 ducks were won by Norm Graham of Minden; 5 chickens to Maxine Snell of Minden; 1 lamb to Erin Featherstone of Pickering; Audrey Vick of Gelert was a side of pork; and Bert Smith of Jackson's Point won the hind of beef.

My personal thanks go out to everyone who so kindly participated in the draw, and to everyone who purchased a ticket in support of Haliburton farmers. All area organizations depend to some extent on the business people in the community for some level of support, and the business people always seem to extend something a little special to the Farmers Association and their efforts.

We would like to express our deepest regards to the following businesses and individuals who donated beautiful prizes to the 'farmers hop' and the spot-dances which were held during the evening. Our thanks to John Burgess of the County Feed Store, Jerry's barber shop; K & W Restaurant in Minden; the Minden Drug Store; Steve & Val Lougheed of Shakoona Kennels; the employees of the Minden Post Office; Dollo's IGA; Mabel's Hair Styles; as well as Lynn and Rolly Hollobon, for their generous donations. Merci.

Finally, on behalf of the executive, and with regards to the interests of the entire Farmers Association, I would like to extend my personal thanks to Bob Hollobon and his band of merry fund raisers, to give each of you our deepest appreciation for your committment and outstanding achievement.

Call 286-1288 — 9 a.m. - 4 p.m.

The Ryan family enjoyed a festive Thanksgiving weekend at their cottage on Horseshoe Lake. Howie and Jerry Ryan welcomed sons Bruce and his wife Lyn, Don and wife Netty and daughter Joan and her husband Jim, all of Willowdale. Four grandchildren completed the family gathering. The Ryans recently retired to the cottage. Jerry noted the cottage has always been a second home for the family as they spent many summers growing up on the shores of Horseshoe Lake.

* * *

The Minden Agricultural Society will be holding their regular monthly meeting October 24 at 7:30 p.m. at the Minden Council Chamber ante-room (upstairs).

senior league

by Bert Harrison

Saturday afternoon Bruce Thompson and wife Carmina introduced by pastor Wood put on a concert for us. That was really good. They played and sang so lovely for us. Put on a puppet show. We residents enjoyed it so much. Pastor Wood closed with prayer before they had to go.

Edna Cowen's son took his mother for a ride all up through Blairhampton and around the countryside. Some of our residents are down with the flu. Ada Allcorn, Lillie Miller and others too.

Lots of activity over Thanksgiving weekend around here about. Some came in to visit, others to take their relatives out.

We welcome nurse Linda Williams back again with her good looks and charm. She was off duty quite some time with a broken arm. Congratulations Linda, you will soon have a husband by your side. For early in November you will be a blushing bride.

Ruby Lewis has been visiting her daughters. She said it was really grand. One of her daughters came over from Newfoundland.

Edna Cowen and Lilly Hogg on Sunday Thanksgiving Day attended communion service over at Lochlin way. Then taken for a drive and a turkey dinner. What could they ask for more? They said they travelled roads that they hadn't been on before.

We had a nice service Sunday night. Not too many there, quite a number away, and enjoying Thanksgiving elsewhere. We had our Thanksgiving dinner here Monday night. Everything was lovely and served just right.

Tuesday morning Rev. Wicks of Minden Gospel Church delivered us an inspiring message on hope. Don't give up hope, he said, at any cost. If you do you're surely lost.

Tuesday afternoon we boarded our bus, headed south. The weather was supreme. We stopped at Fenelon Falls and were treated to ice cream. Then came back by Kinmount way. It was so lovely it all seemed like a dream. And once again we thank our activity director for keeping us all well and entertained.

We have just learned that Millie Wood's brother and sister came to visit her on Thanksgiving Day. As we said before, some of the residents are away. Something took place here Tuesday night I am glad I didn't miss. Evelyn Coleman brought her CGIT girls down to visit and I got hugged and kissed.

Down at Fun and Fitness Monday morning we played no games, instead we had a discussion on how we proposed to our sweethearts and how the ladies were proposed to before we were wed.

The LOBA ladies came down from Haliburton Thursday afternoon. A delicious lunch they did bring, served it up so nicely but said they couldn't sing. Linda and I played some very lively tunes to help entertain. We thank you ladies for coming, please ladies come back again.

Sorry to say we have Mrs. Stutt in Minden hospital. She had a bad fall. Thought some of our readers would like to give her a call.

We would like to thank Mr. and Mrs. Tom Prentice and boys for coming here Thursday night, calling the bingo numbers and doing the job just right. Some players had good luck and seem quite content, others weren't so lucky and didn't earn a cent.

Our entertainers came again this 12 October day. Grace to lead us in a sing-a-long, Jean Cox the music to play. Not too many about. It was such a lovely day some residents were out.

Friday night our musicians came, Payne, Burch and Deacon. No matter how hard they played and sang they never seem to weaken.

We the residents are always glad to see them come, but when they get their instruments warmed they really make things hum.

Congratulations to Ada Shorter we would like to say, who has a birthday this 13 October day.

Well readers, at this Thanksgiving time the colour has been grand. You can see God's handiwork over our great land. On the hillside here by Hyland Crest and the hill by Minden town. Too bad finally they will come come tumbling down, but this is the way it is supposed to be and I guess it also shows us nature at its best.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list.

Q: How many dead people in a cemetery?
A: All of them.

* * *

Q: Did you hear the one about the rope?
A: Aw, skip it.

* * *

Q: What animal goes hunting mice in the sea?
A: Catfish.

* * *

Q: What herb cures all things?
A: Thyme (time)

* * *

Q: What bird can lift the heaviest weight?
A: A crane.
